

HOCKLEY HEATH ACADEMY – PUPIL PREMIUM REPORT 2018 - 19

INTENTION STATEMENT

Pupil Premium is funding received by the academy specifically focused on addressing the inequalities between disadvantaged pupils and their peers. The Pupil Premium was introduced in April 2011 and is allocated to work with disadvantaged pupils who have registered for free school meals at any point in the last 6 years, Looked-After Children (CLA) and children of service personnel. The academy uses this funding to ensure that all disadvantaged students achieve their potential and are supported in diminishing the difference compared to their peers. The following document details specific actions together with costs and impact for each element of our Pupil Premium spend. DfE guidance states that the grant may be spent for the purposes of the school ie for the educational benefit of pupils registered at that school.
